

Please Note

Due to the planned facility developments

the **Health Suite will be closed from
January 2010**

A brand new health suite facility will be
located on the first floor with a
target completion date of June 2010.

We apologise for any inconvenience this may cause,
however, this short term closure will result in a much
improved facility for all members to enjoy.

The new facility will provide both mixed and
segregated sessions for male and female users
along with specified naturist sessions.

Thank you
